SALFORD LOCAL HISTORY SOCIETY

The Salford Local History Society was founded by a small group of enthusiasts in January 1971. Since that time its membership has grown rapidly and we have established what we believe is a lively, worthwhile and friendly society, interested in studying the history of Salford in all its aspects.

Why not join us? We generally meet on the last Tuesday of the month at the Midwood Hall, Eccles Old Road, at 7.30pm and an exploratory visit would prove that the study of local history is both interesting and enjoyable.

Each month we publish our own newsletter, enabling members to keep in touch with one another between meetings.

Society membership has formed the basis of many happy and lasting friendships, and a pleasant and informal atmosphere is always found at our meetings - even more so on the several outings and visits to places of interest held throughout the year.

Why not pay us a visit? For further details contact:
